“When I graduated from the EHST program in 2011, I immediately started work as a Health and Safety Advisor. I know many of my classmates also secured work right after graduation.

I couldn’t ask for a better group of people to teach this program. Their support continued long after I left METI.”

- Leigh Blinkhorn

“I wanted to take the time to say thank you to the dedicated staff of METI. After completing the Environmental, Health & Safety program it has given me the credentials needed to work in this desired field.”

- Ryan Pickard

“I would like to extend a sincere thank you to the staff at METI. I graduated from the environmental health and safety technician program, and I have found work as an HSE Advisor.”

- Alicia Campbell

“Huge thanks to Joe, and all the staff and instructors at METI. Graduation was yesterday, and I landed a job at the job fair today! Can’t think of any other schools that could pull that off!”

- Joey Ambrose
